On-Campus Programs

Cultural Excursions

A day trip to the suburban areas of Gwangju will allow students to enjoy Korean cuisine, interact with locals, and experience various aspects of Korean culture.

Buddy Program

International students will be paired with current CNU students, who will assist with the transition period and support their academic success. This may be the start of a lifelong friendship.

International Student Community

Led by the CIS and the CIC student club – connects international students with friendly peer mentors and an active community from day one.

CIC (CNU International Students Community)

@cnu_cic_official

Both domestic and international students can gain a deeper understanding of diverse cultures in today's global era by participating in cultural activities, language exchanges, volunteer work, and more.

CIS (CNU International Student Supporters)

@chonnam_oia_cis

In collaboration with the Office of International Affairs, this student group organizes various programs for international students, and provides support to enhance their experiences at CNU.

Buddy Program

- Connects international exchange students with CNU student buddies who assist with dormitory check-in, campus life, and academic adjustment
- Operates for one semester, with the option to extend to two semesters

DiscoverK Program

- A team-based travel initiative that pairs international students with Korean buddies to explore destinations across Korea
- Provides approximately 100 USD per participant as travel support
- Offers hands-on experiences in Korean culture, history, art, and student-planned

Home visit Program

- Matches international students with local families in Gwangju for a meaningful cultural exchange
- Day-visit format only; no overnight stay is included

CAMPUS-Asia AIMS

CAMPUS-Asia AIMS is an undergraduate student exchange program between Korea and ASEAN universities aimed at fostering experts in the ASEAN region. CNU accepts students majoring in Engineering including AI and IoT, Agriculture, and International Business from AIMS partnership universities.
