

CURRICULUM VITAE

PERSONAL INFORMATION

NGUYEN Thi Thanh Thuy (Asso. Prof. Dr.)
Department of Food safety and Quality management
Faculty of Food Science and Technology (FST)
Vietnam National University of Agriculture (VNUA)
Trau Quy – Gia Lam - Hanoi
Tel.: (+84) 09 12 64 14 28
Email: ntthuycntp@vnua.edu.vn; thuyngth2000@yahoo.com
Nationality: Vietnam

PROFESSIONAL EXPERIENCES

- 5/2018 -Present Director, Personal Department
- 5/2015- Present Head of Department Food Safety and Quality management.
- 2/2012- 5/2018 Dean of Faculty of Food Science and Technology.
- 1996 – 2018 Lecturer in the Faculty of Food Science and Technology (FST): Teaching the annual courses: General microbiology, Food microbiology; Food Safety and Quality Management.
- Collaborator with the Vietnam Directorate for Standards, Metrology and Quality (STAMEQ) in building national standards for agricultural products.
- Collaborator with the Cooperative alliance to help promote the brand; open training courses on GAP (Good Agricultural Practice) and IPM (Integrated Pest Management).
- 2005-2011 Deputy Chief of Department of Food and Nutrition: participate in the administration and planning activities of the department and faculty.
- Assistant post-graduate training: Support for the activities of the postgraduate training in the field of post-harvest technology and food technology
- 2001-2004 Lecturer in General Microbiology; Food Microbiology. Department of Postharvest Technology, Faculty of Food Science and Technology, Hanoi University of Agriculture
- 1995-2000 Lecturer in General Microbiology and Food Microbiology. Department of Biochemistry -Storage and Processing of Agricultural Products, Faculty of Agronomy, Hanoi University of Agriculture

FORMATIONS

- 9/2002- 12/2005 Doctor of Philosophy-Food Science (microbiology)-ENSIA Massy-France
- 9/'97-11/'98 Master of Science-Food Science (microbiology)-ENSIA-SIARC Montpellier-France
- 10/'96-7/'97 "Formation des formateurs" in Agri-food-ENSIA-SIARC Montpellier-France
- 1990-1995 Engineer of Science-Hanoi University of Agriculture (Vietnam)
- 1993-1995 Bachelor of English - Hanoi Open University

PROJECT

- 2018-2020 Application of microorganism technique on the reduction of histamine in traditional fish sauces. Funded by Ministry of Industry and Trade (Member);
- 2017-2019 Building a new technological process of fruit brewing. Funded by the Department of Science of Hanoi (Principal Investigator);
- 2016-2018 Application of biotechnology in the recycling of waste yeast for feed. Funded by the Department of Science of Hanoi (Member);
- 2016 -2017 VIBE project (Vietnam Ireland Bilateral Education Exchange). Fund by Irish Aid (Member);
- 2015-2017 Screening, characterization and production of antimicrobial peptides produced by GRAS (Generally Recognized As Safe) bacteria from Vietnamese fermented food (Principal Investigator) (ARES-CCD Belgium)
- 2014-2019 Committee of Institutional Cooperation program between the Vietnam National University of Agriculture and the Francophone Joint University Council (Belgium) – Phase 4 (Member of Coordinating);
- 2013-2018 International master program project "Master in Food technology, safety and quality management CUD (Belgium) (Coordinator);
- 2014 Selection and application of lactic acid bacteria to produce the instant drinking soy sprout powder for children. National Institute of Nutrition (Principal Investigator);
- 2014 Selection and application of lactic acid bacteria to produce the instant drinking brown rice powder for children. National Institute of Nutrition (Member);
- 2013-2016 Production and Application vegetal extract to slow urea proteolytic at industrial scale to replace Agrotain (Petro Vietnam Camau fertilizer Company Ltd.) (Member);
- 2013-2014 Develop solutions to improve quality and shelflife of some fruits and fresh spices stored at room temperature. Ministry of Education and Training (Member);
- 2012-2013 Capability of *Bacillus subtilis* and ethanol utilization in the storage of orange fruit (Member);
- 2012-2013 Extraction and Purification of fatty acid rich in omega-3 from the plant (*Perilla nankinensis*). Ministry of Education and Training (Member);
- 2011-2012 Evaluate the activity performance and quality of food hygiene and safety of some agricultural products processing enterprises in Hai Duong province. Ministry of Education and Training (Member);
- 2010-2011 Selection of *Mucor* and *Rhizopus* species producing protease with high enzyme activity to use as starter in processing fermented tofu. Ministry of Education and Training (Member);
- 2010-2011 Effect of raw material and technological factors to cider fermentation from *Malus domestica* apples. TRIG project (Member);
- 2009-2010 Lactic fermentation to create nutritional drinks, functional drinks from brown rice. TRIG project (Principal Investigator);
- 2008-2009 Research process intensification techniques for 2 millet varieties *Setaria Italica Beauv.* and *Eleusine coracana Gaert.* to produce functional foods. Ministry of Education and Training (Member).

TRAINING

2019. Rumania

15/5-02/6/2017. SupAgro Montpellier - France. Training program for trainers within the framework of the ASIFOOD project

.8-12/3/ 2016. UCC – Irland. Food Science and Business – Education program development

25/1-5/2/ 2016. Food Value Chain (FVC) - Human Resource Development in Food-related Areas through Partnership with Universities in ASEAN Region. Bangkok, Thailand.

9/2015. Sampling training – Processing Department – Ministry of Rural and Development.

25-30/9/2014. Prevention and Control of Mycotoxin Contamination in Food and Feedstuff – SEAMEO BIOTROP. Organized at Hanoi University of Agriculture.

2014. Formation of “Food chain Integration”. Gembloux University – Belgium (6 weeks)

2011. Risk-based Food Control Programs in Southeast Asia. SEARCA, Los Banos, Philippines, 17-19 May 2011

2010. Multicountry Observational Study Mission on Branding of Local Food and Agricultural Products. Project No 10-AG-46-GE/DC-OMS-B-1 of Asian Productivity Organisation. Tokyo, Japan

2010. Certificate for e-Learning Course on Food Safety Management and Food Traceability. Asian Productivity Organization

2010. Certificate for e-Learning Course on TQM for the Service Industry. Asian Productivity Organization

2007. Determination of the resistance of *B. cereus* with fosfomycin and ampicillin. Louvain la Neuve University – Belgium (training 2 months)

2006. Training Certificate for Organoleptic Analysis of Processed Agricultural Products, awarded jointly by the Council Interuniversity of the French Belgium Community and Hanoi Agricultural University

2005. Training Certificate for Food Safety and Functional Food awarded jointly by the Council Interuniversity of the French Belgium Community and Hanoi Agricultural University.

CONFERENCES

2019. Nguyen Thi Tram, Nguyen Thi Bich Hong, Pham Thi Ngoc Yen, Nguyen Thi Kim Oanh, Nguyen Thi Thanh Thuy (2019). Selecting and developing *Sacha inchi* in Vietnam for contributing to the improvement of public health. Proceeding of the First Conference intellectual woman association on Science and Technology in the North. October 16-17, 2019 in Hanoi..

2019. Huong Quynh Vu, **Thuy Thanh Thi Nguyen** and Jacques Mahillon (2019). Lactobacillus brevis antibacterial activity for the biocontrol of foodborne pathogens. In the proceeding of 3rd EFS International Conference on Environment and Food Safety, 16-17 October 2019, Sunway Putra Hotel, Kuala Lumpur, Malaysia.

- 2018.** Huong Quynh Vu, Sébastien Paquet, Catherine Nannan, **Thuy Thanh Thi Nguyen** and Jacques Mahillon (2018). Antibacterial activity of *Lactobacillus brevis* HQV07 isolated from Vietnamese fermented food against foodborne pathogens. *In the proceeding of 4th AFSA International Conference on Food Safety and Food Security*, 10-12 August 2018, Angkor Paradise Hotel, Siem Reap, Cambodia.
- 2018.** Nguyen Thi Tram, Nguyen Thi Bich Hong, Nguyen Thi Kim Oanh, **Nguyen Thi Thanh Thuy**. Evaluation of Agribiology characteristics, disease and insect, yield, quality and use ability of mountain peanut, *Sacha inchi* (*Plukenetia volubilis* L.) in Vietnam. Conference proceeding on Agricultural engineering and Post-harvest technology. 6-7 Sept. 2018. 285 - 295. ISBN 978-604-973-176-1.
- 2018.** Dang Thao Yen Linh, Tran Thi Thu Hang, Nguyen Thi Lam Doan, Nguyen Hoang Anh, **Nguyen Thi Thanh Thuy**. Isolation and screening histamine-producing bacteria from the first six months of Cat Hai fish sauce fermentation process. Conference proceeding on Agricultural engineering and Post-harvest technology. 6-7 Sept. 2018. 285 - 295. ISBN: 978 - 604 - 973 - 174 -7.
2017. Catherine Nannan, Huong Quynh Vu, Simon Caulier, Florent Licciardi, **Thuy Thanh Thi Nguyen**, Jacques Mahillon (2017). Bacilysin within bacillus subtilis group: contrast between gene cluster prevalence and bacilysin detection. *In the proceeding of twenty-second Conference on Food Microbiology*, 21 & 22 September 2017, Brussels.
- 2016.** Nannan Catherine, Vu Quynh Huong, **Nguyen Thi Thanh Thuy** and Mahillon Jacques. Bacteriocins as food preservatives. International conference on "Agriculture development in the context of international integration: Opportunities and challenges" 7-8 Dec. 2016. 236 – Vietnam National University of Agriculture.
- 2016.** **Nguyen Thi Thanh Thuy**, Nguyen Hoang Anh, Nguyen Vinh Hoang. Screening and characterization of β – Glucanase produced by *Bacillus* spp. isolated from Muong Khuong chilli sauce. International conference on "Agriculture development in the context of international integration: Opportunities and challenges" 7-8 Dec. 2016. 228-235. Vietnam National University of Agriculture.
- 2016.** **Nguyen Thi Thanh Thuy**, Vu Thi Huyen Trang, Vu Quynh Huong, Trinh Thi Thu Thuy, Nguyen Thi Lam Doan, Tran Thi Na, Nguyen Hoang Anh. Isolation, identification, and preliminary characterization of *Bacillus subtilis* with broad-range antibacterial activity from Muong Khuong chilli sauce. Oral presentation. Conference Italy and Vietnam for Food quality and safety – Feeding innovation. Ho Chi Minh 18.11.2016.
- 2016.** Chu-Ky Son, Li Wen Jun, Phi Quyet Tien, **Nguyen Thi Thanh Thuy**, Lai Quoc Phong, Le Van Viet Man, Le Nguyen Doan Duy, Anil Kumar Anal, Dao Thien, Sophal Try, Samira Sarter, Vu Thu Trang, Khieu Thi Nhan, Yves Waché. 2016. Exploration de la biodiversité végétale et microbienne pour la qualité et la sûreté des aliments. Actes du Colloque de la Conférence Internationale des Responsables des Universités et Institutions Scientifiques d'Expression Française (CIRUISEF) «la Recherche Scientifique et ses interfaces disciplinaires» 23-27 mai 2016, Marseille, France (ISSN 1815 - 4646), pp. 93-103
- 2015.** Doan Thi Lam Nguyen, Margo Cnockaert, Koenraad Van Hoorde, Evie De Brandt, Binh Thanh Le, **Thuy Thi Thanh Nguyen** and Peter Vandamme. Identification of lactic acid

bacteria diversity from a traditional Vietnamese fermented pork meat product (nem chua) by using a combination of culture dependent and –independent approach. The 41st Congress on Science and Technology of Thailand. 6-8/11/2015.

2013. Determination of Nuciferin content in lotus leaves at the different ages. International workshop. VB Foodnet. 11/2013.

2013. Nguyen Thi Thanh Thuy, Nguyen Thi Hien. Extraction et séparation d’anthocyanes à partir d’*Hibiscus sabdariffa* Calyx: application pour produire le papier indicateur pour détection Rapide du borax dans les aliments. International Workshop “Exploring Biodiversity for Sustainable Development in South East Asia” (EBSEA).

2011. Participation in the regional seminar-workshop on “Risk-based Food Control Programs in Southeast Asia,” organized by the Southeast Asian Regional Center for Graduate Study and Research in Agriculture (SEARCA), in cooperation with the Food Security Center (FSC) of the University of Hohenheim in Germany, at SEARCA, Los Baños, Laguna, Philippines on 17-19 May 2011.

2011. Participation in the seminar "Solutions to improve the quality of agricultural products for export" 2/3/2011 Hanoi. Sembcorp Industrial Park Corporation and Singapore.

2010. Participating in the seminar: Finalise the training program “Food Science and Technology” December 2010. TRIG project.

2010. Presentations at the conference "Food Science: Current status - Solutions to training the human resources for food safety and food hygiene”. In December 2010. TRIG project.

2009. GMP in Food Technology. International Conference in Food Safety for Agricultural and Fishery products (HUA).

2008. Affection of ecological factor on grain yield and grain quality of several foxtail millet cultivars (*Setaria italica* (L.) Beauv.). ISSAAS conference.

2006. Thi Thanh Thuy Nguyen, Gérard Loiseau, Christèle Icard-Vernière, Isabelle Rochette, Serge Trèche, Jean-Pierre Guyot. New bioprocess to prepare high energy density (HED) gruels. Poster *Food is Life, IUFFOST, Nantes (France) 17-21 September 2006. 000350 trang 12.*

TEXTBOOK

Diseases caused by food transmission and contamination

CONFORMITY CERTIFICATION

Conformity certification of 02 products with the Department of Food Safety - Ministry of Health for 02 functional tea bag products. Lien Son Tra (lotus leaf - apple). 12002/2016/ATTP-XNCB and Lien Thanh Tra (Lotus leaf tea - green tea) 12000/2016/ATTP-XNCB on June 7, 2016.

LANGUAGES AND INFORMATICS

French: Good level for 4 skills (reading, listening, speaking and writing)

English: Good level for 4 skills (reading, listening, speaking and writing)

Good application for MSOffice (Word, Excel, PowerPoint...) and image treatment.

Nguyen Thi Thanh Thuy
