

# CURRICULUM VITAE

## PERSONAL INFORMATIONS

PHAN Thi Phuong Thao, Dr.

Department of Food Safety and Quality Management

Faculty of Food Science and Technology (FST)

Vietnam National University of Agriculture (VNUA), Trau Quy – Gia Lam - Hanoi

Tel.: (+84) 0399.840.168

Email: [phanphuongthao@vnua.edu.vn](mailto:phanphuongthao@vnua.edu.vn), [phanphuongthao.cntp@gmail.com](mailto:phanphuongthao.cntp@gmail.com)

Nationality: Vietnam

## PROFESSIONAL EXPERIENCES

05/2015–Present: Lecturer, Researcher, Deputy Head of Department

Department of Food Safety and Quality Management, Faculty of Food Science and Technology, Vietnam National University of Agriculture (VNUA), Hanoi, Vietnam.

2005 – 2011: Lecturer, researcher

Department of Food Technology, Faculty of Food Science and Technology, Vietnam National University of Agriculture (Former name: Hanoi University of Agriculture), Hanoi (Vietnam)

Teaching the annual courses: Food Quality Management System, Food Legislation, Food Sensory Analysis, Risk analysis, Project on Quality Management, Confectionery Production Technology.

Training on Food Safety, Food Hygiene, Food Law, consulting on building Food Quality Management Systems (FQMS) for a number of companies, cooperatives, and farmer households in the provinces and cities.

Training on nutrition, food hygiene and developing nutritionally balanced menus for catering services, restaurants, and collective kitchens at schools, industrial parks, and hospitals.

## FORMATIONS

**06/2016-03/2021**

PhD student of Department of Food Quality Management, School of Biotechnology and Food Technology, Hanoi University of Science and Technology (HUST, Hanoi (Vietnam)

**02/2010–07/2010**

Master of University of Hohenheim, Stuttgart (Germany)

**04/2009–08/2011**

Master of University of Natural resources and Life Science (BOKU), Vienna (Austria)

12/2005–06/2006

Final year undergraduate student of Center for Oil, flavour and food additive, Food Industries Research Institute (FIRI), Hanoi (Vietnam)

10/2004–09/2005

Exchange student of Department of Bioscience and Biotechnology, Faculty of Agriculture, University of the Ryukyus, Okinawa (Japan)

09/2001–06/2006

Bachelor of Hanoi University of Agriculture, Hanoi (Vietnam)

## PROJECT

**2020-2022.** Assessing the effects of some antioxidant ingredients in tea seed oil on the oxidation of some vegetable oils when mixed with tea seed oil during storage. VNUA

**2018-2019.** Evaluation and use of the varietal diversity of Vietnamese tea plants (*Camellia sinensis*) in terms of antioxidant-rich tea seed oil production. Interfaculty and inter-institutional research projects. AI Programme with Vietnam National University of Agriculture (VNUA)

**2017-2018.** Study on the process of producing ready-to-eat mixed powder to make Mochi and Phuthe cake using tapioca powder. VNUA

**2015-2018.** AsiFood Project "Universities as key partners for the new challenges regarding food safety&quality in ASEAN".

**2016-2017.** Effect of liquid bio mulch created from aloe vera gel to the quality of pear melon cultivation in Dong Ngan Xuan Huy - Soc Son – Hanoi. VNUA

**2014-2015.** Effect of thermal processing and packaging on the changes in Chlorophyll and vitamin C content of green pea and green cauliflower. VNUA

**2013-2014.** Study on the possibility of pork Preservation by lemongrass essential oil and ginger essential oil. VNUA

**2012-2014.** Elaborating a framework for a joint research on reducing post-harvest losses of longan and litchi cultivated in Vietnam. VLIR-UOS, Belgium.

**2012-2013.** Study on extraction of curcuminoid from yellow turmeric. HUA

**2008-2009.** Effect of processing conditions on the quality of whey-supplemented soy milk yoghurt. Ministry of Education and Training, Vietnam.

**2007-2008.** Production of soy milk yoghurt. HUA

## TRAINING

**23-26/2/2020:** The HACCP system Training course. Japan Food Safety Management Association (JFSM)

**5-8/11/2019.** Food analysis. JAIF Project. Vietnam National University of Agriculture

**21-27/7/2019.** PhD. Summer School Organized by VLIR-NETWORK-VIETNAM Program at Nha Trang University

**17-28/6/2019.** Food Value Chain. JAIF Project. Vietnam National University of Agriculture.

**26-30/11/2018.** Food Borne Pathogens and Chemical Hazards Analysis in Times of Global Change. Embassy of Israel. VNUA

**14-23/9/2018.** Fat analysis, Department of Food Science, Faculty of Veterinary Medicine, University of Liege, Belgium

**20-27/5/2018.** Safety and Quality in Innovative Food Production Systems, Asian Institute of Technology (AIT)

**28/5-1/6/2018.** Analysis of edible oil properties, Department of Food Science and Technology, Kasetsart University, Thailand

**7/10/2017.** Seminar on Food Value Chain under the Projects for Human Resource Development (HRD) in Food-Related Areas through Partnership with Universities in ASEAN Region.

**2-11/7/2017.** “Japanese Food Industries Tour” for Development of Food-Value-Chain in ASEAN under the ASEAN Food Industries Human resource development association. Japan.

**29/5-2/6/2017.** Training on “E-learning”. ASIFOOD Project. Pisa, Italia.

**15-24/5/2017.** Training on “Food safety at processing factory”. ASIFOOD Project. Vienna, Austria.

**15-16/11/2016.** Seminar on Governance and Change Management with ASIFOOD Project to improve relationships with professional. Erasmus Plus program. Kasetsart University, Thailand.

**31/07-07/08/2016.** PhD. Summer School Organized by VLIR-NETWORK-VIETNAM Program at Vietnam National University of Agriculture.

**15-18/9/2015.** Sampling techniques for Food Safety Inspection. Ministry of Agriculture and Rural Development.

**24-30/03/2014.** PhD. Summer School Organized by VLIR-NETWORK-VIETNAM Program at CanTho University of Agriculture.

**04-15/03/2013.** Writing research projects (4 credits). Council Interuniversity of the French Belgium Community and Hanoi University of Agriculture.

**18-22/03/2013.** Document research and Information processing (2 credits). Council Interuniversity of the French Belgium Community and Hanoi University of Agriculture.

**25-29/03/2013.** Methodology of transferring technology for rural communities (2 credits). Council Interuniversity of the French Belgium Community and Hanoi University of Agriculture.

**03/2012.** Food quality and safety, the procedures of registration for product quality certification. Council Interuniversity of the French Belgium Community and Hanoi University of Agriculture.

### CONFERENCES

**18-21/11/2019.** Oral presentation at The 3<sup>rd</sup> China (Guangxi) – ASEAN Conference on Agricultural Science and Technology Cooperation. Beihai, Guangxi, China.

**15-16/11/2019.** Oral presentation at the Conference “Quality Management and Food Safety”. Hanoi University of Science Technology (HUST).

**18-20/10/2019.** Oral presentation at the International Congress ISSAAS 2019 “Reshaping Agriculture for Sustainable Development”. Malaysia.

**30/9-2/10/2019.** Poster presentation at the 15<sup>th</sup> GERLI International Lipidomics Meeting “Biodiversity of lipid species – Benefit for Nutrition and Effects on Health”. France.

**7/12/2018.** Poster presentation at the Conference: “*Technological Applications in Perspective of Sustainable Agricultural and Rural Development*”. VNUA.

**5-7/11/2016.** Oral presentation at Congress ISSASS 2016 International Congress and General Meeting "National and Global Good Agricultural Practices (GAPs) in Southeast Asia".

**10/2011.** Oral presentation at the Conference “Quality Management and Food Safety”. Hanoi University of Science Technology (HUST).

## HONOURS AND AWARDS

First prize "Science researching student in 2006". Minister of Education and Training (MOET). 2007.

First prize "VIFOTEC technological creations for science researching student in 2006". Vietnam Fund for Supporting Scientific and Technological Creations (VIFOTEC). 2007.

Medal "Youth Creativity". Central Communist Youth Union. 2007

Top hundreds typical young face of Vietnamese students from 2002 -2006. Vietnamese Student Associate

## LANGUAGES AND INFORMATICS

English: Good level for 4 skills (reading, listening, speaking and writing)

Good application for MSOffice (Word, Excel, PowerPoint...) and image treatment

Phan Thi Phuong Thao
