

# Vietnam National University of Agriculture

-  Public multidisciplinary university
-  Top 3 universities of Vietnam
-  Top 20 best universities of Vietnam for international publications
-  Accredited training quality
-  10 AUN-QA accredited training programs

**Prof. Dr. Nguyen Thi Lan**  
President of Vietnam National  
University of Agriculture

Vietnam National University of Agriculture (VNUA) is a key and leading national university in human resource training and scientific research in agriculture and rural development, becoming more and more diversified in fields of study with ever increasing prestige among the higher education system of Vietnam.

Vietnam National University of Agriculture is now known as the leading university among the community of agriculture, forestry and fishery universities in the country. *“VNUA has a strong commitment to support agricultural and rural development in Vietnam through its traditional educational programs, research projects, and innovative outreach programs.”*

## VISION

VNUA is striving to be a multi-disciplinary and multi-campus autonomous university following the model of research university, a national and regional center of excellence for creative innovation in training human resources, conducting top research, applying knowledge and developing technology in agriculture and rural development.

## MISSION

Mission of VNUA is to train and supply high quality manpower; pursue research and development, and new technology and knowledge dissemination in agriculture and rural development in order to contribute to agriculture development and to international integration.

## CORE VALUES

- Solidarity
- Morality
- Advancement
- Responsiveness
- Transcendence

# ■ UNDERGRADUATE PROGRAMS

## Standard Training Programs

1. Accounting
2. Agricultural Economics
3. Animal Production and Health
4. Animal Science
5. Aquaculture
6. Aquatic Animal Pathology
7. Automotive Engineering Technology
8. Biotechnology
9. Business Management
10. Computer Systems Networking and communication
11. Control and Automation Engineering
12. Crop Science
13. Data Science and Artificial Intelligence
14. Digital Economy
15. E-Commerce
16. Economic Management
17. Economics
18. Electrical Engineering
19. English
20. Environment Sciences
21. Finance - Banking

22. Financial Economics
23. Food Technology
24. Food Technology and Business
25. High Tech Agriculture
26. Horticulture and Landscape Design
27. Human Resource Management
28. Information Technology
29. Investment Economics
30. Land Management
31. Laws
32. Logistics and Supply Chain Management
33. Mechanical Engineering
34. Mechatronics Engineering Technology
35. Natural Resources Management and Environment
36. Pharmaceutical Biotechnology
37. Plant Protection
38. Real Estate Management
39. Sociology
40. Soil Science
41. Technology Teacher Education
42. Tourism Management and Development
43. Veterinary Medicine

## Advanced Programs (taught in English)

1. Biotechnology
2. AgriBusiness Management
3. Crop Science
4. Financial Economics
5. Agricultural Economics

## Master Programs

1. Animal Science
2. Accounting
3. Agricultural Economics
4. Animal Production and Health
5. Aquaculture
6. Biotechnology
7. Business Management
8. Crop Science
9. Economic Management
10. Environment Sciences
11. Food Technology
12. Land Management
13. Plant Genetics and Breeding
14. Plant Protection
15. Rural Development
16. Soil Science
17. Veterinary Medicine

## Doctoral Programs

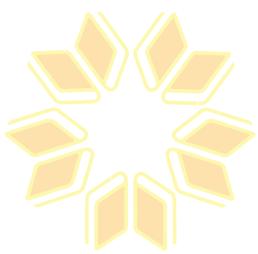

1. Animal Science
2. Agricultural Economics
3. Biotechnology
4. Business Management
5. Crop Science
6. Development Economics
7. Environmental Science
8. Human Resource Management
9. Land Management
10. Mechanical Engineering
11. Plant Genetics and Breeding
12. Plant Protection
13. Veterinary Epidemiology
14. Veterinary Pathology and Therapeutics of the Diseases of Domestic Animals
15. Veterinary Theriogenology

## STUDY ENVIRONMENT - FACILITIES

- Largest and most beautiful campus in Vietnam, campus size: nearly 200 ha
- Spacious dormitory: affordable off campus lodging
- Study environment: modern, versatile, friendly
- Dynamic scientific research environment
- Diverse extracurricular, team building activities and organizations/clubs/associations
- Multidisciplinary, international teaching quality and top quality training
- Convenient services and transportation
- Full professional and utility services
- Various international exchanges activities
- Modern library

# ■ REQUIREMENTS FOR ADMISSION
